Text Messaging Policy

Chicago Wealth Management ("CWM") does not use SMS (text) messaging for marketing, solicitation or bulk messaging of any kind. CWM does not contact individuals or businesses via SMS messaging unless they are clients of CWM.

During the onboarding process clients are given the choice to "opt-in" to SMS messaging. It is the policy of CWM to communicate primarily via phone, email and in-person consultation.

Collected phone numbers are NOT shared with third parties outside of the scope of contracted services and legal requirements. Additional information can be found on our **Privacy Policy**.

To **opt-out** of SMS communication clients may reply **Stop** or **OPT OUT** to any texts from CWM. For assistance clients can contact our office via phone or email. Our contact information is available on our website "**Contact**" page. Clients who have previously opted out of SMS messaging may "**Opt-In**" by reaching out to our office.

Standard messaging and data rates may apply depending on your mobile carrier and plan. The text recipient is responsible for any and all charges incurred from receiving messages. Messaging frequency may vary.
